CEW IN OUR COMMUNITY

The Christian Experience Weekend (CEW) is a spiritual renewal retreat – a shared religious experience that grew out of the realization that the Christian life has to be experienced before it can be properly appreciated. The renewal of one's life in Christ is the focus as each participant examines his relationship with self, others and God. Since the Christian life is a community life, it is best experienced in community with other **Companions on the Journey!**

CEW is a time to discover and develop insights into questions inside of you about yourself, your faith life and what it means to be a follower of Jesus. It is a way to nourish one's individual spirituality and be a part of the greater Christian community that Jesus came to earth to establish.

The Men's Weekend will be held at Pilgrim Heights Retreat Center 305 E. Avenue, Montour, Iowa April 30 – May 2, 2010

Participants will spend the weekend at a modern retreat center and enjoy company of other men in a spiritual community experience. Autumn House Lodge has comfortable beds and private bathrooms. The entire facility is handicap accessible.

The weekend is for those ages 18 and older.

Weekend starts at 7:00 PM on Friday April 30 and ends at 4:00 PM on Sunday May 2.

All meals are provided. Special dietary needs can be arranged. (please note on registration)
