

Letter to Pastor

Father Don has asked that each of you write a letter explaining why you are or why you are not ready to celebrate the Sacrament of Confirmation. The letter should be delivered to Father Don the week before your exit interview.

The letter should include the following...

Explain how you feel about the preparation process.

Name several experiences that were most meaningful during the process and explain why they were meaningful.

Request to celebrate the sacrament, or request to continue preparation and receive the sacrament at a later date.
Give reasons for your choice.

Now that you have nearly completed your “Catholic internship,” explain how you intend to stay involved.

How do you plan to get better at understanding God’s WORD?

How do you plan to pray alone, and with others at Mass?

How will you WORSHIP?

How do you plan to carry out the WORK of the church through Christian service?
